The exhibitor ticket shop also provides you with a list of the invitations which have already been used and, after the exhibition has started, a list of the invitations with admittance.

## Participation "Get-together":

A "Get-together" for exhibitors and visitors will take place on the first evening of the event. Admission is free and is via the fair ticket or exhibitor pass. In order to maintain security, HMC reserves the right to limit admission to a certain number of persons in the event of an increased volume.

# Specific Terms of Participation 2025

Event-specific additions to General Terms of Participation (ATB), Technical Regulations (TR) and House Rules of Hamburg Messe and Congress GmbH (HMC)

- Reductions in size of stand space:** The stand space specified in the acceptance is binding. After acceptance, any reductions in stand space requested by the exhibitor are possible only in consultation with HMC, and do not lead to reduction in stand rent. If HMC succeeds in renting out the stand space to a third party, an administrative fee amounting to 25% of the (proportional) participation fee for the space not used by the exhibitor is payable in accordance with clause 8.2 ATB.
- Cancellation of stand:** (see clause 8.2. ATB) Free-of-charge cancellation is possible within the period specified in the placement proposal, or until acceptance without placement proposal. In the event of cancellation after acceptance, clause 8 ATB shall be applicable.
- Cost element clause:** HMC may, at its reasonably exercised discretion, adjust the prices subject to this contract (pursuant to German Civil Code (BGB), Section 315) to reflect the development of costs relevant for price calculation. A price increase may be considered, and prices shall be lowered as appropriate, for example, in response to higher or lower costs incurred for the procurement of energy, or as warranted otherwise by changes of the cost situation due to new legal conditions affecting the event hereunder (such as a higher legal minimum wage). In the event of cost increases of a particular cost type, such as electricity costs, the prices charged by HMC may only be raised to the extent that the cost increase is not offset by decreasing costs in other areas, such as sales. If any costs, such as electricity costs, are lowered, HMC must lower its prices accordingly unless the lower costs are partially or entirely offset by higher costs in other areas. In exercising its reasonable discretion, HMC will choose the timing of any price change to avoid accounting for cost reductions in a manner that will put the Exhibitor at a disadvantage relative to cost increases, in other words, HMC will make sure that cost reductions will be reflected in its prices to the same extent as cost increases.
- Early dismantling:** (clause 7.3 ATB) early departure of stand Dismantling of the stand before the period set for dismantling is a breach of contract. HMC is entitled to impose a penalty charge of € 200.
- AUMA (association of the German trade fair industry) fee:** The AUMA fee of € 0.60 per sq. m plus VAT is included in the participation fee.
